

Max Gibb Resigns as Recreation Director

Residents responsible for placing and replacing garbage cans

Centennial By-law Passed

SPECIAL MEETING OF COUNCIL, HELD ON MONDAY, APRIL 18, 1966. . . . PRESENT:

Mayor Foster, Councillors Parker, Baker, Wheatley, Gibb and de Bruijn.

SPECIAL MEETING
At a regular meeting of Council held on March 28th, 1966, Council arranged for this Special Meeting to be held for the purpose of studying the second draft of the 1966 Estimates.

COMMITTEE
It was decided that Council appoint a Committee of the whole.

The Meeting recommended and the following resolutions made:

The Council decided to adopt all of the recommendations of the Committee, as follows:
1. That the policy re. garbage handling be changed in that the resident be responsible for placing full garbage cans, etc. at the curb and also replace the empty cans, etc. in their usual place of storage after being emptied. This will result in two less men being required for the garbage crew.

2. That the staff again review the estimates for the water supply system and report back to the next budget meeting.

3. That the staff bring in the third draft of the estimates at 15 mills, exclusive of the education supplementary regulations.

It was then decided that the Mayor call a Special Meeting on Tuesday, April 19th, 1966, at 7:30 p.m. to consider the third draft of the 1966 Estimates.

Council Meeting April 18th. to discuss Bible QUESTION PERIOD

A very active session preceded the Council meeting, with Councillor Parker answering the

questions. When asked about the \$2325, fee for Secretarial Services provided for in the Centennial Budget, Mr. Parker commented: "\$2300 is not too great an amount to be paid out. Once you pay somebody they are more obligated to do a good job. Somebody (paid) person would give her undivided attention to the job and would not go off on a 2 month holiday as

a volunteer might". When asked if any attempt had been made to obtain volunteer secretarial services Mr. Parker replied that in his personal experience volunteer help was a "hit and miss" sort of thing, at which point Mayor Foster interjected that: "It is not the general

From the Legislature

BY KEITH EVERITT, M.L.A. FOR ST. ALBERT

The increase in the Municipal Assistance Grant will be greatly appreciated by the various municipalities.

Following are the amounts received by towns, villages and rural municipalities in the St. Albert Constituency:

	1955	1956
Sturgeon Municipality	182,426.89	222,920.30
Westlock Municipality	139,402.26	159,194.16
Town of St. Albert	93,434.86	116,643.23
Town of Morinville	3,713.86	11,324.94
Village of Legal	4,807.58	7,495.28
Village of Gibbons	2,353.96	2,977.20
Village of Bow Island	1,779.62	1,495.22

As you can readily see, this is quite a one-third increase in these outright grants to our municipalities.

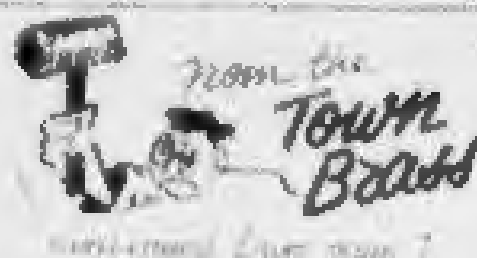

There are no strings attached to these grants. In the future, the amount for these grants will be based on a one-third of the gas and oil leases formula.

Twelve millions of dollars have been added to the School Foundation (grants) for the Province. Below is a list of increases to the various school districts:

	1965 (actual)	1966 (est.)
Sturgeon	\$1,169,379.	\$1,285,302.
Westlock	1,199,116.	1,361,791.
Tabular (Morinville)	158,654.	175,100.
St. Albert (public)	444,253	526,935.
St. Albert (separate)	679,640	679,443.

The various organizations I have stated that I would be most disappointed if the various municipalities increased the mill rate to not taxpayers. It is our hope that the 15 million dollar rebate in taxation to the home owners will not be offset by increased taxation.

An amendment to the Vehicles and Highway Traffic Act is of great importance to our young people. A number of provinces are giving consideration to an amendment prohibiting the issuance of a driver's license to those under eighteen years of age. In this province we will issue a juvenile license at the age of sixteen. This is the same as a regular driver's license with one exception. If the driver has one offence the Minister of Highways may revert him (or her) to a learner's permit until they are eighteen. This could result in a lowering of insurance rates.

feeling of the public that there should not be a paid secretary". Mr. Parker said that "in all big fund-raising projects the secretary is always a paid person, and for many (volunteer) people involved would cause a conflict". When asked why the position of secretary had not been advertised Mr. Parker replied "The Committee felt they had the suitable person for the job, there was no need to advertise". The Mayor asked "The Secretary has to be available when I call the Committee, and when it calls for". The question, indeed, on a motion by Councillor Gibson, to take a permanent fixture, Councillor Donalds opposed this motion, he is not in favour of the question period.

CONFIDENTIAL COMMITTEE BY-LAW

This by-law was approved unanimously. Mr. Gibson said that the Confidential Budget should be recorded and another put through. The Mayor agreed that the Budget was "approved in error", a new budget is to be brought forward for Council's approval. Mr. de Roux commented that the Secretariat Service he should include payroll hardware such as the Canada Pension Plan.

ROADSIDE BY-LAW

After proper notification homeowners will be responsible for placing garbage containers and returning them to their proper place after they have been emptied. It was also noted that no more should be on the roads at all times.

A letter was received from the Town Engineer's Office in which he requested the St. Albert Fire Dept. for their approval work. Councillor Gibson moved that a special communication be sent to Chief Yatchewsky and the volunteer firemen.

RESIGNATION OF DEPUTY TOWN DIRECTOR

It was with much regret that the resignation of Mr. Gibb was accepted. Mr. Parker said "It

is most unfortunate to lose him, it will be difficult to replace him". Councillor Donalds added "It is most regretful to see Mr. Gibb leave, he is most competent". Mr. Gibb will miss the Council and the town.

PETITION ON DUFFY STREETS

Mr. James spoke on behalf of some 10 petitioners from the St. Michael, St. Thomas and Edouard Street areas. Mr. James said "The people in this area have to keep their front windows clean because of the dust and all the time have to spend some money on the streets." Councillor Whalley inquired as to the possibility of closing these roads to all but local traffic. The R.C.M.P. will investigate that trucks have been going through here. Mr.

James pointed out trucks going by on Rue Duff, and the truck by-law will be enforced. The matter was referred to the Public Works Committee for further study. Mr. James said "I hope we can bring the matter".

IRK SERVICE

Mr. Parker told Council that for the past 4 weeks he has taken the time to work for Mr. Parker. "The house are broken down, cold and noisy. One has had no door handle on the outside and the trees were pretty bad. It is a rotten situation. Mr. Whalley suggested that perhaps all Councilors should take the house for a week, to which Mr. Parker replied, "it would be an education". The authorities will be approached in regard to this matter.

St. Albert Protestant Separate School District No. 6 KINDERGARTEN

The Mayor, April 10th, 1968 the Education Committee of the St. Albert Protestant Separate School District held a public meeting which was attended by the subject "Kindergarten".

Mr. D. Featherstone, Chairman of the Committee opened the meeting at 8 p.m. with a few introductory remarks. The public attended was asked to enter into free discussion with the Committee whenever it felt to be in the course of the evening. This was graciously accepted by all attending with the following results:

1. The first kindergarten classes that are operated under the name of the St. Albert Separate School District No. 6, will begin in April at the end of the school year as the new school year does not give any necessary able programs with regard to available space within the school buildings.

2. The Board will offer its good administrative offices to all kindergarten that may be in operation in St. Albert and that are looking for suitable space. As of the year is expected to be available within

three weeks but will be made available to all kindergartens on a competitive basis.

3. That a grant will be made available to all the kindergartens of this District on an equal basis.

4. That a petition may be held in the October local elections asking the ratepayers of this district whether they would favor kindergartens to be operated within the School District No. 6.

5. To distribute extensive background information prior to the plebiscite so that the electorate is fully informed on the pro's and cons of either of the two.

6. To send out a questionnaire, also prior to the plebiscite, to parents on the same subject.

7. To strive towards a kindergarten education which is geared towards the needs of our school system.

8. To endeavour to develop a distinct kindergarten education within this District.

9. To set aside a fellowship for a suitable person in order to give him a thorough education at a recognized centre of learning in kindergarten education, so that this person then will be able to take a leadership position in the local future developments of kindergarten education and operation.

10. To discuss these problems at a joint meeting with the Public Schoolboard and the Town Council.

The Committee's recommendation will be submitted to the Board of Trustees at the Regular Meeting to be held at 7:30 p.m. Wednesday, April 13th, 1966 in the District Office.

The Regular Meeting of April 7th, 1966 has been postponed to April 13th, 1966 and a Special Meeting will be held during the afternoon of April 13th, due to the heavy agenda.

LONDON CONFERENCE STAMP

The London Conference convened in the British Capital on the 4th December, 1965, third and final major assembly leading to Confederation, will be commemorated by the Canada Post Office with a postal stamp to be issued on the 26th May, 1966.

We Don't Want Dust!

Mr. James, representing 27 families living in the St. Michael, St. Thomas and Edmonton Street Areas, presented a petition to Council complaining about the bad condition of the roads in above mentioned areas, causing so much dust during dry weather that windows and doors have to be permanently closed to prevent the house from an extremely bad dust invasion. The Staff of the Town will look into this bad situation and will report back to Council on how to solve this problem. Suggestions were made to all the said roads on which Mr. James could agree if done in the proper way.

ST. ALBERT LIONS

There was a very good attendance at the last Lions Club Meeting to hear guest speaker Lion Paul Unogbo from Nigeria. Lion Paul is attending University studying for his Master's degree in Neuro-Psychology. He gave a very interesting talk on conditions and customs in Northern Nigeria before the coming of the British and Christian missionaries.

Lion Art Stapleton from the Mortuaries Club spoke on the proposed division of district 17B into two districts because of the size of the area covered and the number of clubs. There will be 63 clubs by the end of June.

Slave Lake Club charter night is on April 16th. Those members interested in attending should contact Lion Byrne as soon as possible. Arrangements can be made. A list will be leaving from Mortuaries and if enough people are interested they could be picked up here.

A Leadership Council will be held on April 10 and May 1st, at the Riviera Hotel. All interested will be welcome.

Fort Saskatchewan are holding a Charter night on April 28th.

St. Albert's next big social event will be on April 22nd, at the Montmorency. All you who attended the Last Lions do will know how much fun can be had when everyone turns out to support these social evenings. This one will cost you \$2.50 per person and a well-garnished lunch will be served.

Our next regular meeting will be on April 19th and our guests will be the Air Cadets.

The award for outstanding activity in fire prevention has been earned by reason of the leadership of your Fire Department and the support of the mayor and council along with the general support of the public. We congratulate St. Albert for the splendid work that has earned this award, which has the most practical benefit of providing greater safety to life and property from fire.

No doubt, you will arrange for a suitable presentation of this award at a public gathering in the Town. If we can be of any assistance, either this office or our district office would be willing to aid in the presentation.

A Fire Prevention Contest book with full results is also attached."

Last Easter Sunday, Easter eggs, and Easter hats gave a most Easter spirit to Fashion Drive on Monday night when the final judging of Easter hats took place. Mrs. R. Fowler, Mrs. R. Ross, and Mrs. S. Ralston had the difficult task of choosing the Easter hat of the year. Judging was based on workmanship and design, and the award was presented by Mrs. Ruth Winters for her beautiful blue and white mohair hat with hand bag.

The six hats were a tribute to the women of Fashion Drive and Easter. The five runners-up were Mrs. Ruth Winters, Mrs. J.

Schram, Mrs. Janice Cunningham, Mrs. J. Ross, and Mrs. Lydia Tennant. Be sure to look down to see these beautiful hats as well as the Easter Hat Tree.

All the hats were made by the ladies of St. Albert Parks and Recreation District Millinery Class.

The picture shows Mrs. R. Fowler presenting the prizes, surrounded by the winning ladies wearing their winning hats and Mrs. Munro, the instructor of the Millinery Class.

BUILDING A BETTER COMMUNITY

CHAMBER OF
COMMERCE
WEEK

APRIL 17-23

YOUR CHAMBER OF COMMERCE

What is a Chamber of Commerce? A group of businessmen devoted to prove that the sun shines all the time in our municipality? Public-spirited citizens banded together to see that the community enjoys the highest possible standard of living? Supporters of free enterprise and our democratic way of life? Business men trying to bring new industry and more tourists to this area? These are some of the most commonly held ideas about the Chamber of Commerce. Whatever is said about the Chamber of Commerce, there is one thing sure -- it is, or should be, one of the most important organizations in the town.

The work of the Chamber of Commerce touches nearly every citizen. In most towns the Chamber of Commerce is responsible for tourist promotion. In many others it undertakes the work of an industrial commissioner, seeking new industry for the town and district. Usually it takes a leading part in community affairs, improving relations between the farmers and the businessmen, sparking community interest

in education, running "Get-Out-The-Vote" campaigns at election time, taking a lead in fire prevention and health and safety work, sponsoring clean-up and beautification weeks, organizing the Santa Claus parade at Christmas and a host of similar projects. Few Chambers of course, do all these things because they are in the main a volunteer organization and in many communities even the secretary is a volunteer!

A STABILIZING INFLUENCE

Our community Chamber is a stabilizing influence in our community. It is influential in focusing greater attention on municipal, provincial and national affairs. It brings about greater understanding among various segments of our community and it makes our community a better place in which to live. Our Chamber of Commerce deserves the support and understanding of all our citizens in our community.

April 17 - 23 is Chamber of Commerce Week all over Canada. Are we helping to build a better community?

NOTICE TO RESIDENTS

Refuse Collection and Disposal By-laws 5/60 and 13/66

In order to effect certain economies within the Town, the Council of the Town of St. Albert has given first and second readings to By-law No. 13/66.

This By-law is an amendment to the Refuse Collection and Disposal By-law No. 5/60. Final reading will be given to By-law 13/66 on April 25th, 1966 and the changes referred to therein will become effective as of May 1st, 1966.

A synopsis of By-law 13/66 is as follows:

THAT By-law No. 5/60 be amended by deleting Section 5 thereof and inserting the following:

"5. Every household shall be responsible for placing full refuse cans at the curb or roadside for collection and for replacing the empty cans to their usual place of storage following collection, with the exception of those areas where a service lane is provided. All refuse cans shall be located normally in an inconspicuous site, either next to the house where no service lane is provided or adjacent to the service lane where one exists. The covers shall be kept on the cans at all times, except for the filling and emptying operations."

ANGLICAN CHURCH

IMPORTANT MEETING OF CONGREGATION (Next Sunday at 11:30 a.m.)

Notice was given at the Easter services of the forthcoming meeting on Sunday April 17th, for the purpose of approving a vestry recommendation for the erection of a church building. Considerable work has been done over the past few months on plans to erect a building on our church site. We have now reached the stage at which we must seek the congregations approval. If this is given, as we expect it will be, then we can move rapidly forward knowing that we have the congregation's support. The text of the notice concerning the meeting is set out below.

Notice is hereby given that a meeting of the parishioners of the Anglican Parish of St. Matthew's in St. Albert will be held on the 17th day of April, 1966 A.D. at 11:30 o'clock in the forenoon, in the Leo Harkness Gymnasium, at 12 Avenue Avenue, for the purpose of approving the Vestry recommendation that a church building be erected to serve the people of this parish and ratifying the appointment of a building and finance committee, at which time and place all baptized members whose names appear on the parish roll and who have been registered members at the church for three months preceding the said date, being of the full age of 16 years, are entitled to attend and vote.

The church service was held on Sunday morning at 10:00 a.m. in the sanctuary. The pastor, Rev. Dr. [Name], gave the invocation. The hymns were "The Church's One Foundation" and "The Lord's Prayer." The reading of the Word was from the Gospel of Matthew. The sermon was on the theme of "The Kingdom of God is Within You." The collection was \$1,200.00. The service was conducted by the choir and the organ.

A Correction!

As our local M.L.A. Mr. Keith Everett, did not find it necessary to correct a part of his statements made in public during a meeting in Mortville on Thursday March 10th, in regards to the St. Albert Gazette, we regret that we are forced to publish these untrue statements in this week's Gazette.

On Monday March 14th, we informed Mr. Everett by phone that we received a letter to the Editor mentioning the Mortville meeting and that he also had made some remarks during said meeting about the St. Albert Gazette. Mr. Everett gave us the impression during this telephone conversation that he wished to reply on the letter to the Editor and also on his St. Albert remarks. Up till now we have not heard from Mr. Everett although we have given him ample opportunity. **THE FOLLOWING THINGS HAPPENED:-**

(1) On or before March 3rd, 1966 Mr. Everett sent the following item to the Sturgeon Journal for publication in their March 5th, 1966, which was printed as follows:-

"Keith Everett, M.L.A. for the St. Albert Constituency says he will call a non-political public meeting in Mortville to discuss the proposed changes to the Child Welfare Act. The Minister of Welfare, the Hon. L. C. Halmstad will be in attendance to report on the recommendations of the Patterson Commission, and outline the proposed legislation.

Mr. Everett says he has received considerable representation, both for and against on the question of the Act that limits the mother's choice of religion for the adoptive child to one year.

The meeting will be held in Mortville on Thursday, March 16, at 8:00 p.m.

MR. EVERETT INDICATES HIS ACTION ON THIS LEGISLATION WILL BE DETERMINED BY THE FEELING OF HIS CONSTITUENTS IN ATTENDANCE AT THIS MEETING."

A copy of this news item was not sent to the St. Albert Gazette as Mr. Everett thought "it was too late".

(2) On Saturday March 12th, the Gazette received a news item from Mr. Everett of the Mortville meeting reading as follows:-

"Also, being introduced this afternoon is a new Child Welfare Act. Because I have had considerable representation in connection with the religious aspects of the Adoption sections of the new Act, I have invited the Minister of Welfare, the Honourable L. Halmstad, to fully discuss the new proposals at a non-political public meeting to be held in Mortville on Thursday, March 10th, at 8:00 p.m.

I would hope that a large number would turn out to hear the recommendations of the Patterson Commission on adoption, and the way these have been written into the Act."

This news item was published in the Gazette on March 9th, 1966.

(3) It appears that the Sturgeon Journal news item is quite different to the one Mr. Everett sent to the St. Albert Gazette-

(4) Invitations for the Mortville meeting were also sent by Mr. Everett to all the Ministers, Priests, and School Boards in St. Albert. The text of the invitation was practically identical to the one which was published in the St. Albert Gazette.

(5) During the Mortville meeting Mr. Everett wanted a vote to be taken so he would know if his constituents were for or against the Adoption Act.

(6) This move of Mr. Everett's came as a great surprise for those people (all from St. Albert) who had only read the news item in the Gazette and also those people from St. Albert who had only received an invitation.

(7) Even the Honourable L.C. Halmstad, guest speaker of the evening, was visibly surprised by this unexpected move of Mr. Everett, as he stated "that he had no previous knowledge that a vote was to be taken".

(8) A member of the audience asked Mr. Everett why he had not given the same news item to the Gazette, as he had done to the Sturgeon Journal. Mr. Everett answered this question in public as follows:-

(a) His relationship with the Gazette was not too good.

(b) He didn't expect that the Gazette would

publish this item.

(c) He gave a clear indication that it was his experience that he had to pay for such a news item in the Gazette.

We do not believe the way our local M.L.A. acted during the Mortville meeting was to be admired.

We are not aware that Mr. Everett's relationship with the Gazette is not too good (PROBABLY Mr. Everett means with the Editor of the Gazette.)

The Gazette has never refused to publish any article written by Mr. Everett.

The Gazette has never charged for any news item written by Mr. Everett. NOTE: Mr. Everett knows quite well that we have to charge ANY PUBLIC NOTICE as we do not have a contract with the Sturgeon Municipality (as the Sturgeon Journal has), or with the Town of St. Albert. Such a contract allows the Sturgeon Municipality to have a certain amount of Public Notices at free advertisement.

We sincerely hope that Mr. Everett will not make further statements of this nature, especially as he is an M.L.A. for St. Albert and should realize that this certainly does not make for a better relationship between him and the Gazette.

Are We Generating Electrical Power Locally?

Maybe St. Albert could have its own electric power generator, but this would mean a tremendous amount of study into the policy. During last Monday's Council Meeting a letter from Viato Engineering Ltd., to Mayor Fowler was presented to Council containing some possibilities in regard to St. Albert having its own electric power supply. Following is a part of the letter from Viato. A copy of the complete letter was given to each Councillor for further study. It may come up again during the special budget Meeting on Tuesday, April 12th.

"Dear Sir,

Re: Study of Electric Power Supply for the Town of St. Albert.

We have finalized our preliminary feasibility study for an alternate supply of electric power for the Town of St. Albert. This study has been made in order that you may be in a position to advise and recommend to the Town Council the course of action that the Town Council may take in this matter.

The following will deal with two main subjects:

1. The technical and financial considerations in regard to a change of Power Supply to the Town of St. Albert. 2. The cost of engineering services required to finalize the study and to assist in negotiations with the parties involved. 1. Technical and Financial Considerations

At this time, the specific loads, consumption, revenue, etc., are not publicly available and for the purpose of this study the majority of the statistical information used has been obtained from the Alberta Power Commission's Annual Report for the year ending December 31st, 1965. Where possible this information has been supplemented by information furnished by the Town of St. Albert.

This study has been made specifically to enable the Town of St. Albert to evaluate the merit of entering into a more detailed feasibility study.

It is our opinion that a more detailed and more accurate study should be carried out before any negotiations are entered into with Calgary Power Ltd. and the Alberta Public Utilities Commission. For the purpose of securing accurate information for such a study, it will be necessary for the Town of St. Albert to co-operate with the Engineers in contacting other authorities.

This study is rather conservative in regard to the anticipated profit calculations.

It appears that the following four possibilities exist:

(a) To negotiate improved rates from Calgary Power Ltd. (b) To buy power wholesale from Calgary Power Ltd. (c) To buy power wholesale from other sources (d) To generate power locally."

RECREATION and SPORTS

TOWN WITHOUT RECREATION DIRECTOR

Max Gibb's resignation as Recreation Director for the Town of St. Albert came as a big surprise to all Councilors during last Monday's Council Meeting. The reason for his resignation is not known at this time. Max Gibb will meet with Council in a Committee as a whole to discuss the whole recreation situation in our Town. We asked Andre Gales, Superintendent of Parks in regards to this resignation, his answer was "No comment at this time". Max Gibb has worked on all the information we want after he had met with Council. Following is the letter of resignation

which was presented to Council during Monday night's meeting.

"Dear Mr. Wheatley:

It is somewhat with reluctance and regret that I submit to you my resignation as Recreation Director. I have been employed in this position for a little over a year and have become acquainted with the organizations and people of the Town, and feel a great loyalty and friendship for them all. I have become weary of the needs and situation of the Town and also can visualize the great potential St. Albert has in the area of recreation in

the future. If properly directed it will be second to none.

I have many ideas and recommendations for the future with regards to the recreation program that I feel would be beneficial and helpful. One suggestion that is essential now is that the Town try to obtain a new qualified recreation director as soon as possible.

If it is your will, I will continue my duties for one month ending my term on April 30, 1966.

Hoping this meets your satisfaction."

NEWCOMERS CLUB FORMED IN ST. ALBERT

The Welcome Wagon of St. Albert has formed a Newcomers Club which promises to be a very active group. Although this type of club is new in St. Albert, there are numerous such clubs presently active in many other towns, out Canada and the United States. The purpose of the Club is to afford you the opportunity to meet others who have recently moved here and to help you feel a friend among friends. It is primarily a social group guided by an Executive, and newcomers within the past year are eligible for membership.

Each month a coffee party is given by one of the members for all newcomers who have moved to St. Albert in that particular month.

The members have formed a lending section, and our membership program and our interests, besides our social, other activities will be focused to the members themselves. The success of this Club, as with any type of club, will depend upon the participation of the members.

Shown above are the Executive of the Newcomers Club, left to right - Secretary - Mrs. Ann Albertson, Treasurer - Mrs. Martin North, Membership Chairman - Mrs. Joy Barker, President - Mrs. Dorothy Hayes, Welcome Wagon Hostess - Standing - Mrs. June Perry.

A Wonderful Move

Elsewhere in this issue you will find the heart warming news that on the initiative of Mrs. June Perry, representative of the "Welcome Wagon", a "Newcomers Club" is formed in St. Albert for the benefit of all our new citizens. We like to express our sincere thanks to June who couldn't have announced this "love your neighbor" at a more appropriate time than Easter, as the Easter theme is based on Eternal Love To Thy Neighbor.

We often complain that new comers are the ones who don't have interest in our social life, who take Edmonton as their favorite place, who don't shop in St. Albert and who only come here to eat and sleep. Certainly we have this kind of new comer but we should not forget that we have them also amongst the "old timers". But what June meant with her Newcomers Club is for the ones who come to our town to become interested citizens, who will take part in our town activities and above all who want to have many friends in this town.

The new-comers should not feel themselves one minute lonelier in our town! We have to encourage them to participate in our community life, and to let them feel that they are welcomed. If we neglect them, we could not only lose a good friend, neighbor and citizen, but we also could make the life of them as miserable one! We wish the Newcomers to arrive with their club a long-long life in St. Albert. Our town can be proud that we have women who will spend their time as excellent ambassadors of our new society.

EASTERTIME, it is a wonderful time!

like to propose the following suggestion to you and the Patronage Book Members for your consideration and approval."

I suggest the shrub known as the Burning Bush, to be purchased for the Roman Catholic and United Churches and four planted to the following denominations when their Churches are built and landscaping is underway.

Anglican, Baptist, Lutheran, Pentecostal. (This shrub is a perennial grows to height of 8 ft. There are three changes in one season. Yellow flowers, green foliage in the Spring, Green Leaves in the Summer and in the Fall the leaves turn copper-colored tinged with red.)
